Coverage Description

1. Ambulance Service

a. Emergency Road Ambulance Service

The Service Provider shall offer cashless ambulance service to the Insured in case of a medical emergency to transfer the Insured from the site of incidence to the nearest hospital / medical facility or subject to note below, indemnify the Insured only in respect of the actual cost of the Ambulance services. The Policy covers up to 2 cashless emergency ambulance services in a policy year per Insured person.

Note: (i) No waiting period will apply for emergency ambulance service cover.

(ii) Indemnification with respect to actual cost of the Ambulance services will be done only in cases where (a) Service Provider could not arrange the Ambulance in the specific listed locations even after intimation of claim on account of reasons other than strikes, lockouts, civil commotion, riots, war, acts of terrorism, action of any government or regulatory authority, abnormal weather conditions or act of god perils at the location of services, or any other cause beyond the reasonable control of the Service Provider and or Company and the Insured avails service of alternate ambulance for the same incidence (b) the ambulance arranged by the Service Provider could not reach the place of incidence within prescribed time on account of reasons other than strikes, lockouts, civil commotion, riots, war, acts of terrorism, action of any government or regulatory authority, abnormal weather conditions or act of god perils at the location of services, or any other cause beyond the reasonable control of the Service Provider and or Company and the Insured avails service of alternate ambulance for the same incidence.

b. Planned Road Ambulance Service

The Service Provider shall offer up to 2 cashless ambulance services for a planned medical treatment to transfer the

Insured from:

- i. Home to Hospital
- ii. Hospital to Home
- iii. Hospital to Hospital

Note:

- i. The scope of cover is within a radius of 40 kms from the pick-up location of the Insured from where the service is being requested for.
- ii. Waiting period of 14 days from Policy inception date is applicable for planned ambulance service cover for New Business Policies and ported-in Policies.

Specific Conditions applicable to Ambulance Services-

- i. The ambulance service will be offered only if medically necessary
- ii. This service will be provided at specific listed locations in India only (excluding the islands)
- iii. If the emergency road ambulance service request is cancelled after 5 minutes of booking, then such cancellation shall be treated as "Service Delivered".
- iv. If the planned road ambulance service request is cancelled at any time less than 4 hours of the scheduled pickup time, then such cancellation shall be treated as "Service Delivered".
- v. If the Planned ambulance service is required to carry the Insured beyond the scope of coverage of 40 kms radius, then the Insured will have to pay an additional charge for every km travelled beyond the covered radius at the prevailing rate of the Service Provider at that point of time.
- vi. Any unutilized service cannot be carried forward to the next year
- vii. Emergency ambulance arranged will be a BLS (Basic Life Support) ambulance
- viii. Ambulance Services will be provided to pick up the Insured from the nearest motorable point. .

2. Fall Detection Technology by Smartwatch

This cover comes with a fall detection smartwatch having an inbuilt vital sensor for continuous health monitoring with the following features. This smartwatch has to be worn at all times by the Insured in order to activate all the below listed features. The Insured will have to enable the notifications & reminders in the smartwatch for below features to work and give alert.

- i. Fall Detection- Upon accidental fall of the Insured wearing the smartwatch, provided along with the rider (if Plan 3 is opted), the smartwatch will detect the fall and trigger an alarm to Service Provider as well as the registered primary / emergency contact, if any updated by the Insured. The Service Provider shall get in touch with the Insured / registered primary contact through a phone call and subsequently arrange for an ambulance, if medically necessary to transfer the Insured to the nearest hospital. Also, if for any reason the Service Provider may not be able to get in touch with the Insured / registered primary contact, in that case also the Service Provider will arrange an ambulance to be sent to the Insured's current location.
- ii. SOS Function- This smartwatch is also equipped with an SOS button which, on activating, will trigger an alarm to the Service Provider as well as the primary contact upon which the Service Provider shall contact the Insured for any medical assistance.
- iii. GPS Position- In case of a fall Detection / SOS Trigger, the phone GPS will be activated, and location will be automatically shared with the Service Provider and the registered primary contact for reaching out to the Insured for.
- iv. Sedentary Alert - A sedentary alert will trigger in the smartwatch and it will vibrate as a reminder for the user to get up and move around if they have been inactive for too long.
- v. Medicine Reminder - A medicine alert will trigger in the smartwatch and it will vibrate as a reminder for the user to consume their medicines on schedule.
- vi. Pedometer - While the user wears the smartwatch, the sensors will track the steps taken and record it in the smartwatch.
- vii. SpO2 - Users can track their Blood Oxygen Saturation levels while they wear the smartwatch.
- viii. 24x7 Body Temperature- Users can track their body temperature continuously while they wear the smartwatch. In case if the body temperature rises above a certain level, the smartwatch will vibrate and alert the user on the rise in temperature.
- ix. 24x7 Heart Rate- Users can track their heart rate continuously while they wear the smartwatch. In case if the heart rate rises above a certain level, the watch will vibrate and alert the user on the rise in heart rate.

Note- For delivery of the Services under coverages as listed above, kindly ensure to use the required specification and process to be followed to activate the smartwatch and other features on watch. Further, the mobile application must be installed with which the smartwatch needs to be connected and the smart phone must remain connected with internet at all times. The user must strictly follow all the instructions given in the instruction manual along with the smartwatch.

3. Physiotherapy Service at Home

If the Insured suffers from any illness / injury during the Policy period, and if the treating Doctor prescribes physiotherapy, then on request of the Insured, the Service Provider will arrange physiotherapy services at home for the Insured.

The services under this coverage can be availed up to a maximum of 5 days in a year with a 1 hour session per day in a year.

Note: Waiting period of 30 days from Policy inception date is applicable for Physiotherapy service for New Business Policies and ported-in Policies except in case of accident, provided it has occurred during the Policy Period.

Specific Conditions applicable to Physiotherapy Service -

- i. Request for Physiotherapy Services at Home must be placed at least 24 hours before the scheduled date and time of requirement.
- ii. In case the Insured cancels the service within 12 hours before the scheduled appointment, then such cancellation shall be treated as "Service Delivered/availed".
- iii. Insured shall provide all the information / record requested by the service provider in order to enable providing appropriate physiotherapy and avoid any complications arising therefrom in terms of side / ill effects.
- iv. Any unutilized service cannot be carried forward to the next year.

4. Nursing Care at home

If the Insured suffers from any illness / injury during the Policy period, then at the request of the Insured, the Service Provider will arrange nursing services by qualified and trained professionals at home for the Insured up to a maximum of 5 days in a year with a duration of 12 hours per day if prescribed by the treating doctor as a requirement for post-operative care or managing a health condition.

Note: Waiting period of 30 days from Policy inception date is applicable for Nursing Care cover at Home for New Policies and ported-in Policies except in case of accident, provided it has occurred during the Policy Period.

Specific Conditions applicable for Nursing Care at home -

- i. The Insured must provide the treating doctor's prescription stating that the covered beneficiary requires nursing care at home, provided the insured has not taken forced discharge / discharge against medical advice and still requires post-hospital discharge care
- ii. Request for Nursing Care at Home must be placed at least 24 hours before the scheduled date and time of requirement.
- iii. Nursing care at Home does not include any medical equipment/medicine/injections or toiletries etc., which have to be provided by the Insured at his own expense.
- iv. In case the Insured cancels the service within 12 hours of the scheduled appointment, then such cancellation shall be treated as service delivered / availed.
- v. Any unutilized service cannot be carried forward to the next year.
- vi. Insured shall provide all the information / record requested by the Service Provider in order to enable providing appropriate nursing care at home and avoid any complications arising therefrom in terms of side / ill effects.
- vii. Nursing care at home will be provided only at the residential address of the insured provided in the policy schedule.
- viii. The deputed nurse will, periodically monitor the health parameters of the Insured and follow the instructions as prescribed by the treating doctor. However, the nurse/Service Provider will not be held responsible for the health condition per se of the Insured person.

5. Medical Tele-consultation services

If the Insured suffers from any illness / injury during the Policy period, then the Insured can avail medical Telephonic consultation from an empanelled qualified medical practitioner/s (General Practitioners and / or specialists).

Note: No waiting period is applicable for this benefit.

Specific Conditions applicable to medical teleconsultation

- i. The Insured shall call and place a request for a medical teleconsultation on the helpdesk number and the Service Provider shall arrange a callback for the Insured.
We shall not be responsible or liable for any defect or deficiency in the medical consultation, diagnosis or treatment recommended to Insured by any medical practitioner
- ii. This service is NOT for use for medical emergencies, for life threatening conditions or for when Insured needs acute care and the Insured should not disregard or delay to seek medical advice from his/her physician based on anything that appears or is provided to him by or through this service in case of medical emergencies, for life threatening conditions or for when Insured needs acute care.
- iii. The consulting doctor may not be able to complete the diagnosis or prescribe a medicine in one consultation due to additional requirements of some medical tests or reports that the consulting doctor may prescribe at his/her own discretion. In such cases, the decision of the doctor whether to issue a prescription or advice a follow up will be considered final.

6. Tele-consultation services for Psychological conditions

On request of the Insured, the Service Provider will arrange up to 2 telephonic consultations in a year with trained and qualified practitioners to manage mental health & wellness.

Note: A waiting period of 30 days from Policy inception date is applicable to this benefit for New Policies and ported-in Policies.

Specific Conditions applicable to Tele-consultation services for Psychological conditions-

- i. No medical intervention will be covered under this benefit ii. Any unutilized service cannot be carried forwarded to the next year.
- iii. The psychological assistance would be offered around managing anxiety, mental stress, coping with changing environment etc.

7. Concierge services/ Assistance
